and simple meals from your own hands by Jeanne Kelley

Patricia Wells You need only to step onto the grounds of Giverny and wander through the profusion of flowers, fruits, and vegetables to sense how art and food were profoundly linked for Claude Monet. I haven't actually cooked anything from this book, but want to buy it because the edition I have from the library looks so good.

Mark and Graham: Page not available in your region

In this historical taste of the artist's secret world, Aileen Bordman and Derek Fell bring Monet's beloved vegetable garden and bountiful table deliciously back to life for us.

The Kitchen Garden Cookbook: Fresh and simple meals from your own hands by Jeanne Kelley

Will also try the lemongrass with hot chile salsa, black currant with rosemary cheesecake, and the simple but delicious sounding pumpkin and apple soup.

The Kitchen Garden Cookbook: Fresh

Maybe its me, but I had anticipated some great vegetarian dishes and what I found was far too many things to do with sprouts. Hey, a kids' got to eat, right?! They can be grown in a vegetable plot or in amongst flowers and will enhance any site.

Having a teenager in the house is like being haunted by ghosts.

Kitchen Garden Cookbook: Tomatoes

If you haven't made up your mind, place your order knowing that you can change it prior to shipment.
