## EL HADJI OMAR FOUTIYOU TALL(r)

### Timeline of Delhi Sultanate: History, Rulers and Decline

La conquête du Kaarta terminée en 1867, El Hadj Omar, mécontent du comportement de ce souverain lui déclare la guerre.

#### The Ethiopian

Devenu gouverneur à la fin de 1854, Faidherbe choisit le Sénégal comme axe de pénétration vers le Niger et complète la protection du Fleuve en construisant sur son cours supérieur un fort à Médine, pour donner un coup d'arrêt à la progression d'El Hadj Omar. A 500-bed general hospital and 500-bed maternity hospital will be built within three years near Nizwa, in the interior, which is expected to become the capital. The Egyptian troops and officers were called upon to fight under conditions hitherto unknown to them, and without the benefit of tried and skilled leaders.

#### The Ethiopian

The Sultan was splattered with blood, but was unharmed. C'est à l'occasion d'un séjour au Fouta Djalon, qu'El Hadj Omar sera initié au Wird tidiane une seconde fois par Cheikh Abdoul Karim, une troisième fois enfin, à Médine, de Mohamed Khaly, disciple direct de Cheikh Ahmed Tidiani r , qui deviendra, par la suite, Cheikh de la Zawiya de Fès. Malgré ses bonnes intentions - il envoie un de ses fils en otage à Bakel - le gouverneur général Protet refuse toute vente de matériel de guerre.

#### The Ethiopian

Short of Money The government is thinking of returning the capital to Nizwa, in the interior, to balance the projected development of a new town near Matrah, on the coast not far from Muscat. Son accès est lié aux seules crues annuelles du Fleuve. The Ethiopians then withdrew to loot the

dead and collect the rifles, etc.

### **Timeline of Delhi Sultanate: History, Rulers and Decline**

LA FIN El Hadj Omar Tall est une des plus grandes figures du 19ème siècle africain. Note: The battle sites of Gundet and Gura are both located within present-day Eritrea. A few miles away stretches Matrah, the commercial city with a market surrounded by a large slum, with about 15.

### **The Ethiopian**

L'Almamy, inquiet l'invite à quitter son royaume. Mais l'armée compte de nombreuses faiblesses. In the eight main cities of Oman, the government will build soon — probably before 1972 — complexes of 40- to 50-bed hospitals 20 dispensaries will be built within six months , a power plant, a school and a water upply center.
