### Frequently Asked Questions

The deadlines depend on the type of appeal. Discussion at that time focused on our request for public consultation to decide Reference Topics in advance. A Joint Board may have one or more members of either or both of the Environmental Review Tribunal and the Ontario Municipal Board.

### Documentation for Niagara Region Windfarm

You can represent yourself at a hearing or you can have someone else represent you. The ERT usually holds its hearing events as close as possible to the subject site.

### Niagara Escarpment Hearing Office

The ERT continues to hold hearing events scheduled by teleconference or by written format.

### OPERA Private Property Issues and Landowner Concerns

Its objective is to develop an internal report on a number of pre-selected Reference Topics for its supervising agency, the Ontario Ministry of Natural Resources and the provincial Cabinet. We are pleased to furnish a copy of this presentation to both Hearing Officers and a brief summary of the issues it attempts to address to assist later evaluation. Rural Escarpment residents are not unsympathetic to naturalist causes espoused by their urban guests.

### OPERA Private Property Issues and Landowner Concerns

The parties may agree to hold the hearing in another location or at the ERT offices in Toronto. Effective April 9, 2020, the suspension of limitation periods and procedural time periods under the Emergency Order no longer applies to matters heard by the Niagara Escarpment Hearing Office under the Niagara Escarpment Planning and Development Act.
