### HOW TO: Make the Most of Youtube Video Description (from Basics to Advanced Tips)

While additional lighting and transport may be optional depending on your situation, they will both make your job of recording a video a lot easier, and give you or your client a better service and product at the end. Approach the one-way video interview the same way you would an initial phone screen , former COO and co-founder at HireVue, recommends that recruiters and hiring managers use no more than 8-12 interview questions, similar to a phone screen.

### How to Make a GIF from a Video the Easy Way

If it looks alright here, it should be fine to use.

Your budget will also play a factor.

### Five Tips to Make the Most of Video Chats • ZERO TO THREE

Most on-demand platforms allow companies to include short videos, which describe key points about the position. But when you perform onstage, if everything looks the same, then all your music begins sounding the same too.

### Making the most of winter

This is where the magic happens! A green screen is a screen that is, you guessed it, green. For high-energy up-tempo songs, you may want to get your lighting guy to create more movement, and pull out your best stage moves.
