James B. Duke

Answer: Geographical isolation cannot be a major factor in the speciation of an asexually reproducing organism because it does not require any other organism to carry out reproduction.

James B. Duke

BJs need to work on their front desk service! I went from a size 3x down to a size 14 in 9 months. The machine is purported to roll as many cigarettes in one day as 48 works could hand roll.

James Priest Obituary

The long Calorad research and success history was very impressive. The recessive trait can occur only when who alleles are similar. At the age of 9, his mother died and he moved to in 1923 to live with his aunt, and her husband Andy Norman.

IN MEMORIAM: Kathryn Noll

The undisguised brutality of our time is weighing heavily upon us. It is important to monitor him closely during this time.

Tellers of Weird Tales: J.B.S. Fullilove (1912)

She died just four weeks from the day her baby was born.
