History of Mississippi College

The addition of this building will enable us to provide guaranteed housing to all new first-year single graduate students. Based in newly renovated facilities at the Baptist Healthplex, the program works closely with the University of Mississippi Medical Center and with federal clinics and hospitals in the region to train professionals to work under the supervision of physicians. The W71 front entrance handicap accessibility project will be started and completed this summer.

Administrative Departments and Campus Services

Sidney and Pacific will also contain commercial businesses, making it the most diverse housing facility on campus.

Drills took place in the afternoon to include our daycare centers and all children living in Eastgate and Westgate. A global leader in research, entrepreneurship and innovation, the university is home to more than 40,700 students, 14,000 faculty and staff, and 388,000 alumni all dedicated to the pursuit of Fearless Ideas. Today, Provine Chapel remains the oldest building on the Clinton campus, housing the classrooms and offices of the Department of Christian Studies and Philosophy and serving as the site for Christmas concerts by the Mississippi College Singers and as a classic venue for weddings year-round.

And finally, SAO hosted the second annual Student Leaders Reception for all organization presidents and treasurers as a way to provide more visible celebration and recognition of student leaders.
