Before joining NMSU she was an Andrew W. The Frontier in American History.

Redefining the U.S.

Mellon Post-doctoral Fellow in Critical Literacies and Pedagogies at Hampshire College 2010-2012. Flores Carmona is the daughter of Josefina and Vicente QEPD. Border Matters: Remapping American Cultural Studies.

Introduction: Transnational Perspectives on the U.S.

Her primary research and teaching interests are grounded in understanding the processes by which social inequalities are institutionalized, reproduced, and collectively challenged. Its compilation of historical and contemporary perspectives, together with its balanced regional coverage, make it highly suitable for a short course on the border.

Courses

. His larger research trajectory seeks to investigate political movements that transmit and translate ideas of local communal justice.
