We show that not only can we automatically derive good features, but that these features out perform those of human experts.

ETAPS

Committee members were allowed to submit papers, although no paper by a committee member was selected. ETAPS 1999: Amsterdam, The Netherlands Ed.

dblp: 14. CC 2005: Edinburgh, Scotland, UK

The languages, methodologies and tools which support these - tivities are all well within its scope. Each committee member reviewed or delegated roughly 19 papers. IBM generously provided the teleconference service for the Program Committee meeting; thanks to Kemal Ebcioglu for arranging this service.
