Updated almost all questgiver names for Bangkorai for english, french and german. Added more english quests, thanks to Battogirl : Added all fishing spots I have found in Stonefalls. Fixed a minor issue with collecting quest giver data.

### How to Plan a Road Trip Route with Google Maps

Please note boss names are mainly german at the moment.

### Destinations Overview

Globalized writ boards in english, french and german hope translations are fine.

### How to Plan a Road Trip Route with Google Maps

Is there way to somehow have the addon 're-parse' my char to check completion status? Thanks to oldbushie and StrangerFull for the info. Quests already collected miss that information.

### Mapping in Tableau

Added support for showing completed and partially completed Collectible spots. Updated almost all questgiver names for Glenumbra for english, french and german.

### How to Plan a Road Trip Route with Google Maps

This change did reset some settings, so check your settings.

### How to name and save locations with Maps on iPhone and iPad

Added Dwemer Ruins, including unique pins not the best pins, I know.
