The Story of the Dragon's Pearl

The catastrophist model interprets the serpent and the sphere as a vagrant luminous object in the sky accompanied by glowing plasma effects.

Ambience was great as well. This suggests that the cross-cultural theme of the glowing serpent and orb might have been inspired by intense plasma discharge in the heavens, perhaps comparable to the aurora, but much more powerful. During the Bonus Spins, any additional Pearl will award additional bonus spins, whilst Wild Dragons can extend up to and over 4 symbols.

The Story of the Dragon's Pearl

So for starters you will have the Dragon Pearl symbole, this acts as the scatter and three will activate the bonus Then you will see the wild symbol, this is of a large Dragon, the wild stretches out with a long green Dragon on it and stands out from the other symbols.
